4.2 Grading. Declarant further reserves unto itself the right at or after the time of grading of any street or any part thereof for any purpose, to enter upon any abutting Lot and grade a portion of such Lot adjacent to such street, provided such grading does not materially interfere with a Member's use or occupancy of a house built or to be built on

such Lot, but said Declarant shall not be under any obligation or duty to do such grading or to maintain any slope.

4.3 Amendment of Plats. No right shall be conferred upon any Owner or Member by the recording of any plat relating to the development of the Property, Declarant expressly reserving unto itself the right to make such amendments to any such plat or plats as in its best judgment shall be advisable and as shall be acceptable to public authorities having the right to approval thereof. 4.4 Sales and Construction Offices. During the Redevelopment Period, a Homebuilder may construct, maintain and operate real estate sales and construction offices, model homes, displays, signs and special lighting on any part of the Common Areas or on any Lot which has not yet been conveyed to a Class A Member, and on or in any building or Structure now or hereafter erected thereon.

5.1 Membership. Every Owner of a Lot which is subject to assessment shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

5.2 Voting. The Association shall have two (2) classes of voting membership:

When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised in such a manner as the Declarants may approve, but in no event shall more than one vote be cast with respect to any Lot.

5.2.2 Class B. The Class B Members shall be Declarant and any Homebuilder. The Class B Members shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease, subject to revival upon additional land being annexed to the Property pursuant to this Declaration, and be converted to Class A membership upon the earlier of:

(a) when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership; or

(b) ten (10) years from the date of recordation of the Declaration; provided, however, that if the Declarant is delayed in the improvement and development of the Walter E. Washington Estates on account of market conditions, a sewer, water or building permit moratorium, or any other cause, then the ten (10)-year period shall be extended by a period equal to the length of the delays, or ten (10) years, whichever is less.

ARTICLE SIX

Covenant for Maintenance

6.1 Creation of Lien and Personal Obligations for Assessments. The Declarant, for each Lot, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (i) annual assessments or charges, (ii) special assessments, and (iii) additional assessments, all such assessments to be established and collected as hereinafter provided. The annual, special and additional assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Declarant of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to successors in title of an Owner unless expressly assumed by them.

6.2 Purposes of Assessments. Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents of Lots within the Property; for the improvement and maintenance of the Common Areas; for the improvement and maintenance of the Community Facilities; and as is otherwise consistent with the rights and responsibilities of the Association hereunder and for the benefit of the Members.

6.3 Reserve Fund. The annual assessments shall include an amount adequate to establish a reserve fund for replacement of capital improvements in the Common Areas. A proportionate amount of each assessment payment received by the Association applicable to the reserve fund shall be received and held by the Association in trust, and shall be held separate and apart from other Association funds. Such trust funds shall be retained by the Association and used only for capital improvements and/or replacement of Common Areas facilities of the Association upon the approval of a majority of Members who are voting in person or by proxy at the meeting duly called for this purpose; except that in any fiscal year, the Board of Directors, by a majority vote of a quorum thereof, shall have authority to approve the use up to ten percent (10%) of said trust funds, but in no event in excess of \$1,500.00, for such capital improvements and/or replacement of capital improvements in the Common Areas.

6.4 Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to a Class A Member, the maximum annual assessment shall be One Thousand Two Hundred Dollars (\$1200.00) per Lot.

6.4.1 From and after January 1 of the year immediately following the conveyance of the first Lot to a Class A Member, the maximum annual assessment may be increased each fiscal year of the Association by a vote of the Board of Directors.

6.4.2 The Board of Directors may from time to time fix the annual assessment at an amount not in excess of the maximum.

6.5 Special Assessments.

6.5.1 In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas, including fixtures and personal property related thereto, and/or to meet any other emergency or unforeseen expenses of the Association, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at the meeting duly called for this purpose.

6.5.2 Special assessments shall be due as provided by the Board of Directors.

6.6 Notice and Quorum for Any Action Authorized Under Paragraphs 6.4 and 6.5. Written notice of any meeting called for the purpose of taking an action authorized under

6.7 Uniform Rate of Assessment.

6.7.1 Subject to the provisions of Paragraph 6.7.2 below, both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis or other periodic basis not more often than monthly or less often than annually.

6.7.2 Anything in Paragraph 6.7.1 above to the contrary notwithstanding, Declarant and Homebuilders shall not be required to pay any assessment for any Lot owned by the Declarant or such Homebuilders until construction of improvements for a house on the Lot have been completed and the improvements have been occupied. So long as Declarant and any Homebuilder is exempt from assessment as herein provided, if the assessment for any fiscal year of the Association, exclusive of those amounts collected by the Association for a reserve fund and for the working capital fund, shall fail to equal or exceed the actual expenses incurred by the Association during any such fiscal year because of such Declarant's and Homebuilder's exemption from payment of assessments, then the Declarant and Homebuilder(s) shall pay to the Association a sufficient amount, up to the amount for that fiscal year of the full assessment for each Lot owned by the Declarant and each Homebuilder, to meet any such deficit, so long as (i) written notice of such deficit is given by the Association to the Declarant and Homebuilder(s) within sixty (60) days following the termination of the fiscal year for which the assessment is made, and (ii) the Declarant and Homebuilder(s) shall have no obligation for any such deficit caused by expenditures for capital improvements or by any decrease in assessments, including, without limitation, the levying of an assessment in an amount less than the maximum for any annual assessment, unless the same has been previously approved in writing by the Declarant and Homebuilder(s). In the event there is more than one party exempt hereunder, then each such exempt party shall pay a pro rata share of the aforesaid deficit, such pro rata share to be based on the number of Lots owned by each such exempt party and the period of time during the assessment year that each Lot was owned by such party.

6.8 Additional Assessments. Additional assessments may be fixed against any Lot only as provided for in this Declaration. Any such assessments shall be due as provided by the Board of Directors in making any such assessment.

6.9 Housing Trust Fund. Pursuant to the terms of the Redevelopment Documents, Declarant will establish a "Housing Trust Fund" which will be funded, in part, from a portion of the proceeds of the sales of the Townhouse Units. Further, to the extent that Association assessments receipts are in excess of the expenses of the Association in any fiscal year, such excess shall be deposited into the Housing Trust Fund. The Housing Trust Fund shall be used to cover the operating expenses of the Association during the first ten (10) years following the first sale of a Townhouse Unit, and to the extent funds are available, to provide down payment assistance to eligible families purchasing Townhouse Units.

6.10 Date of Commencement of Annual Assessments; Due Dates; Certificate of Payment of Assessments.

6.10.1 The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area to the Association. The first annual assessment shall be fixed by the Board of Directors and shall be adjusted according to the number of months remaining in the calendar year. Thereafter, the Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors.

6.10.2 If additional land is annexed to the Property as herein permitted, the annual assessments as to the Lots added to the Property by such annexation shall commence on the first day of the month following the conveyance to a Class A Member of the first Lot within the annexed land.

6.10.3 The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

6.11 Effect of Nonpayment of Assessments, Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of ten (10%) percent per annum, and shall be subject to a late charge of Five (\$5.00) Dollars or five (5%) percent of the assessment, whichever is greater, and the Board of Directors shall have the right to declare the entire balance of the annual assessment and accrued interest thereon to be immediately due and payable. In addition, the Declarant shall be liable for all costs of collecting any such assessment, including reasonable attorney's fee and court costs. All such interest, late charges and costs of collection shall be deemed to be an additional assessment hereunder. The Association may bring an action at law against the Declarant personally obligated to pay the same and/or, without waiving any other right, may foreclose the lien against the Lot. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his or her Lot.

6.12 Subordination of the Lien to Mortgages. The lien for the assessments provided for herein shall be subordinate to the lien of any mortgage or deed of trust duly recorded prior to the time a Statement of Lien is recorded among the Land Records of, the jurisdiction where the Lot is located. Sale or transfer of any Lot shall not affect the assessment lien. However, any contract purchaser of a Lot shall be entitled, on written request to the Association, to a statement in writing from the Association setting forth the amount of any unpaid assessments against the Declarant of the Lot due the Association and such purchaser shall not be liable for, nor shall the Lot conveyed be subject to a lien for any unpaid assessments, made by the Association against the Lot, in excess of the amount set forth in such statement. The sale or transfer of any Lot pursuant to foreclosure or any proceeding in lieu thereof, of a mortgage senior in priority to the assessment lien, shall extinguish the lien of such assessments as to payments which became due prior to such

sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from any lien therefor.

6.13 Exempt Property. All property dedicated to and accepted by a public authority and all property owned by a charitable or non-profit organization exempt from taxation by the laws of the District of Columbia shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessment.

6.14 Initial Assessment. The first Class A Member of each Lot shall pay to the Association in addition to the regular monthly assessments, an initial assessment in an amount equal to two (2) times the initial monthly assessment applicable to the Lot. Such sum shall be payable within thirty (30) days after conveyance of the Lot to the Class A Member.

ARTICLE SEVEN

Maintenance by Owner

The Owner of each Lot shall keep his or her Lot, and all improvements thereon, in good order and repair, including, but not limited to, the seeding, watering and mowing of all lawns and yards, keeping all sidewalks neat, clean and in good repair, and free of ice and snow, the pruning and cutting of all trees and shrubbery and the painting (or other appropriate external care) of all buildings and Structures on the Lot, all in a manner and with such frequency as is consistent with good property management and maintenance. If, in the opinion of the Architectural Committee, any Owner fails to perform the duties imposed hereunder, the Association, on affirmative action of a majority of the Board of Directors, after fifteen (15) days written notice to the Declarant to remedy the condition in question, and upon failure of the Declarant to remedy the condition, shall have the right (but not the obligation), through its agents and employees, to enter upon the Lot in question and to repair, maintain, repaint and restore the Lot and the improvements or Structures thereon and the cost thereof shall be a binding, personal obligation of such Owner as additional assessment upon the Lot in question.

ARTICLE EIGHT

Architectural Review

8.1 Architectural Committee. All of the rights and powers (including discretionary rights and powers) reserved by or conferred upon Declarant by this Article Seven are invested initially in Declarant alone (including any successor or assign of CEMI-Ridgecrest, Inc. to which it shall convey or otherwise transfer its right, title and interest to all or any part of the Property and in so doing expressly designates the transferee as "Declarant"), but may be assigned or transferred by Declarant to the Architectural Committee. This right of assignment may be exercised by Declarant from time to time, and may be exercised in whole or in part, and may apply to all or any part of the Property, including any Lot. In any event, the rights and powers of Declarant under this Article Seven shall automatically terminate with respect to Declarant and vest in the Architectural Committee alone upon the release of the obligations under the Redevelopment Documents. Whenever "Declarant

or Architectural Committee" is used or referred to in this Article Eight, it shall apply to the Declarant alone until such time as the rights under this Article Eight are vested in the Architectural Committee and shall then apply to the Architectural Committee with respect to any such.

8.2 Written Approval Required. No Structure shall be constructed, erected or maintained on the Property (including any Lot), nor shall the exterior appearance (including the color thereof) of any Structure on the Property be changed or altered from the original appearance thereof, nor shall the natural state of any area of the Property be disturbed or altered, nor shall any work be commenced or performed which may result in a change in the exterior appearance of any such Structure, until plans and specifications showing the nature, kind, shape, dimensions, materials, floor plans, color scheme, location, exterior plans and details, paving plans and location, landscaping details and proposed topographical changes, together with the estimated cost of said work and the proposed construction schedule therefore, and together with a designation of the party or parties to perform the work, have been submitted to, and approved in writing by, Declarant or the Architectural Committee. In the event the Declarant or the Architectural Committee fails to approve or disapprove such design and location in writing within ninety (90) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

8.3 Committee Criteria. The Declarant or Architectural Committee shall consider such plans and specifications for approval upon the basis of, among other things, the harmony of external design and location in relation to surrounding Structures and topography, the nature and durability of the materials, quality of workmanship, choice of colors and materials, grade elevations and/or drainage, the ability of the party or parties designated by the Declarant to complete the work proposed in accordance with the plans and specifications submitted, including, without limiting the foregoing, such factors as background, experience, skill, quality of workmanship, financial ability, etc. In reviewing the plans, the Declarant or Architectural Committee may also consider factors of public health and safety, the effect the proposed work will have on the use, enjoyment and value of surrounding properties, and/or the outlook or view of other neighboring properties and the suitability of the proposed improvements or alterations with the general aesthetic values of the surrounding area.

8.4 Disapproval of Plans. In any case where the Declarant or Architectural Committee shall disapprove the plans and specifications submitted hereunder, or shall approve the same only as modified or upon specified conditions, such disapproval or qualified approval shall be accompanied by a statement in writing of the grounds upon which such action was based. In any such case, the Declarant or Architectural Committee shall, if requested, make reasonable efforts to assist and advise the applicant in order that an acceptable proposal can be prepared and submitted for approval. However, the final decision of the Declarant or Architectural Committee is final and binding.

8.5 Approval of Plans. The applicant shall submit for approval two sets of plans and specifications. Upon approval by the Declarant or Architectural Committee, one copy of such plans and specifications shall be retained by the Declarant or Architectural Committee, and the other bearing the approval of the Declarant or Architectural Committee in writing shall be returned to the applicant.

8.6 Non-Approved Structures. If any Structure shall be altered, erected, placed or maintained upon any part of the Property, including any Lot, or any new use commenced on any part of the Property including any Lot, in violation of the provisions hereof, such Structure or new use shall be removed or discontinued, and such use shall be terminated so as to extinguish such violation. If within fifteen (15) days after notice from the Declarant or the Architectural Committee of such violation, the Declarant of the Lot upon which such violation exists shall not have taken reasonable steps towards the removal or termination of the same, the Declarant (or the Association upon recommendation of the Architectural Committee) shall have the right to apply to a court of competent jurisdiction for an order directing the Declarant to remove or discontinue such structure or new use, and if the Declarant shall fail to do so, authorizing the Declarant or the Association, through its agents and employees, to enter upon the Lot and to take such steps as it deems necessary to extinguish such violation, and the cost thereof shall be a binding, personal obligation of the Declarant of the Lot and an additional assessment upon the Lot.

8.7 Completion of Construction. Upon completion of construction of any Structure in accordance with the provisions hereof, the Declarant or the Architectural Committee, upon request of the applicant shall issue a Certificate of Compliance in form suitable for recordation among the Land Records of the jurisdiction where the Property is located, identifying such Structure and the Lot (or other part of the Property) on which such Structure is placed, and stating that the Structure has been completed pursuant to the terms hereof. Preparation and recording of such Certificate shall be at the expense of the applicant. Any Certificate of Completion issued pursuant hereto shall be *prima facie* evidence of the facts therein stated, and as to any purchaser or encumbrancer in good faith, and for value, or as to any title insurer, such Certificate shall be conclusive evidence that all Structures on the Lot (or other part of the Property) noted in such Certificate comply with the provisions hereof.

8.8 Examination Fee. The Declarant or the Architectural Committee may charge and collect a reasonable fee for the examination of the plans and specifications submitted for approval. Such payment shall be made at the time such plans and specifications are submitted, provided that such charge shall not exceed the amount chargeable by the appropriate governmental authority for an application for and processing of building permits for Structures on the Lot with regard to which such plans and specifications are submitted. Such fee shall be retained by the Declarant (or the Association for the Architectural Committee).

8.9 Committee Compensation. The members of the Architectural Committee shall serve without compensation unless specifically approved by the Members.

8.10 Architectural Rules. The Declarant or the Architectural Committee, to the extent of its functions hereunder and rights specifically provided herein, may adopt and promulgate reasonable rules and regulations regarding the administration, interpretation and enforcement of the provisions of this Declaration.

8.11 Conditional Approvals. In granting any permit, authorization, or approval, as herein provided, the Declarant or the Architectural Committee may impose any appropriate conditions or limitations thereon as they shall deem advisable under the circumstances of each case.

8.12 Lot Restrictions. The following restrictions will apply to all Lots. These restrictions may be amended by Declarant at any time until its rights under this Article 8 shall be vested in the Architectural Committee and thereafter they may be amended by the Architectural Committee. (This right of amendment is in addition to the right to amend this Declaration set forth in Article 13 below.) Any amendment shall become effective when a written instrument setting forth the amendment is signed and recorded by Declarant or the Architectural Committee among the Land Records where the Property is located. The restrictions are as follows:

8.12.1 Subdivision. No Lot shall be split, divided, or subdivided for sale, resale, gift, transfer or otherwise after acquisition from Declarant. With respect to any Lots while owned by Declarant, Declarant expressly reserves the right to further subdivide or alter property lines as it may deem necessary and appropriate, subject to applicable governmental laws, rules and regulations.

8.12.2 Trees. No tree having a diameter of six (6) inches or more (measured from a point two (2) feet above ground level) shall be removed from any Lot without the express written authorization of the Declarant or Architectural Committee. The Declarant or Architectural Committee, in its discretion, may adopt and promulgate rules and regulations regarding the preservation of trees and other natural resources, and wildlife upon the Property. In carrying out the provisions of this Section 8.12.2, the Declarant or Architectural Committee and their respective agents may come upon any Lot during reasonable hours for the purpose of inspecting or marking trees or in relation to the enforcement and administration of any rules and regulations adopted and promulgated pursuant to the provisions hereof. The Declarant or Architectural Committee and their respective agents shall not be deemed to have committed a trespass or wrongful act by reason of any such entry or inspection.

8.12.3 Animals. The Declarant or Architectural Committee may, from time to time, publish and impose reasonable regulations setting forth the number of animals that may be kept on any Lot. No birds or animals shall be kept or maintained on any Lot except domesticated birds, dogs and cats. No Owner shall have in his or her possession or under his or her control any animal which is kept in such a manner as to cause or result in odors, noise or other conditions constituting an annoyance or nuisance to the occupants of other Lots.

8.12.4 Fences. The Declarant or Architectural Committee, in its discretion, may permit the erection of fences or walls in the front or side yards of any Lot for decorative purposes, so long as the same do not in any way obstruct visibility at any adjacent road intersection. Any rear yard fence and any fences or walls permitted by the Declarant or Architectural Committee to be erected in the front or side yards of any Lot shall not exceed six (6) feet in height.

8.12.5 Private Residences Only. All Lots upon the Property shall be used for private residential purposes only and no dwelling shall be commenced, erected, altered or permitted to remain on any Lot other than one (1) dwelling designed for occupancy by a single family.

8.12.6 Type of Building. Each residence building constructed upon a Lot shall have at least two (2) levels at or above grade, except that a one (1) level residence building will be permitted upon a Lot the grade of which at the building setback line is four (4) feet or more above the grade of the adjacent road. Each residence building shall contain at least one thousand two hundred (1,200) square feet of floor area, excluding a garage.

8.12.7 Driveways. All improved Lots shall be provided with driveways paved with a hard, durable surface such as macadam, concrete or other similar material subject to the approval of Declarant (or the Architectural Committee after Declarant's rights and powers under Article Seven have been transferred to it). Paving shall be completed within one (1) year from the date of commencement of construction of a dwelling unit on said Lot.

8.12.8 No Poles. No facilities, including poles and wires for the transmission of electricity, telephone and the like shall be placed or maintained above the surface of the ground on any Lot.

8.12.9 No Signs. No sign or other advertising device of any nature shall be placed on any Lot except a temporary real estate sign, not exceeding four (4) square feet in size, advertising the sale of the Lot (including any house constructed thereon) upon which such sign is displayed, and except as otherwise permitted by rules and regulations adopted and promulgated by the Declarant or Architectural Committee relating thereto. Notwithstanding the foregoing, Declarant reserves the right to erect a temporary real estate sign advertising the sale of Lots within the Property of such size and design as it, in its discretion, deems appropriate from time to time during the Redevelopment Period.

8.12.10 No Temporary Residences. No temporary building, trailer, garage, or building in the course of construction or other Structure shall be used, temporarily or permanently, as a residence on any Lot.

8.12.11 Trash. No lumber, metals, bulk materials, refuse or trash shall be kept, stored, or allowed to accumulate on any Lot, except building materials during the course of construction of any approved Structure. During the course of construction of any approved Structure, all trash or other refuse resulting therefrom shall be removed daily. The Declarant or Architectural Committee, in its discretion, may adopt and promulgate reasonable rules and regulations relating to the size, shape, color and type of trash or other refuse containers permitted and the manner of storage of the same on the Property, provided that the same must be sanitary and animal-proof. If trash or other refuse is to be disposed of by being picked up and carried away on a regular and recurring basis, the containers therefore may be placed in the open on any day that a pick-up is to be made, at such place on the Lot so as to provide access to persons making such pick-up. At all other times such containers shall be stored in such a manner so that they cannot be seen from adjacent and surrounding property.

8.12.12 No Offensive Activity. No obnoxious or offensive trade or activity shall be carried out on or upon any Lot nor shall anything be done thereon which

may be or become an annoyance or nuisance to the neighborhood or any adjoining property owners. No snowmobiles, go-carts, motor bikes, trail bikes or other loud engine recreational vehicle shall be run or operated upon any Lot or upon the roads servicing the Property.

8.12.13 No Pollution. No Lot shall be so used as to cause any pollution to streams or ponds on or adjacent to said Lots or to any adjoining property's water supplies. No Lots shall be so used or maintained as to cause any erosion of soil or sediment into such streams or ponds. During the grading and construction of any improvements upon any Lot, adequate arrangements shall be made to insure that no erosion of soil or sediment into such streams or ponds shall take place.

8.12.14 Vehicles. No commercial vehicles, trailers, boats, buses, campers, tractors, mobile homes or any other vehicle other than private passenger vehicles in regular operation shall be kept regularly on any Lot in the Property unless garaged. However, during the construction of improvements upon the Lots, commercial vehicles or trailers may be maintained for construction purposes. No motor vehicle of any kind shall be regularly parked upon any of the roads servicing the Property.

8.12.15 Lighting. No exterior lighting on any Lots shall be directed outward from the boundaries of the Lot; and, mercury lights may not be used for any such exterior lighting.

8.12.16 Construction. Any new Structure to be constructed upon any Lot must be substantially completed within twelve (12) months from the commencement of construction thereof.

8.12.17 Architectural Style. No contemporary flat roof design will be permitted for any main building structure (i.e., flat roof design will be permitted for porches, sun rooms, etc.).

8.12.18 Garden Sheds, Etc. Nothing herein contained shall be deemed to prohibit the construction of garden sheds, green-houses, or other similar accessory structures subject to the review and approval of the Declarant or Architectural Committee as provided in Article Eight.

8.12.19 Zoning Laws. These restrictions shall not be taken as permitting any action or thing prohibited by applicable zoning laws, or the laws, rules or regulations of any governmental authority having jurisdiction over the Property, or any other restrictions applicable to the Property and heretofore recorded among the Land Records of the District of Columbia. In the event of any such conflict the most restrictive provision of such laws, rules, regulations, restrictions or these restrictions shall be taken to govern and control.

8.13 Residential Use. Lots will be used for residential purposes and only such other purposes as may be permitted in a residential district by applicable zoning laws and regulations, except that Declarant and any Homebuilder may use any Lot as a model home and for sales, management and/or construction offices during the Redevelopment Period. Except as expressly provided for herein with respect to the Common Areas, the Lots and

Townhouse Units may not be used for business or commercial purposes and each Lot owner and/or Members shall indemnify the Declarant or any Homebuilder from any and all claims or causes of action arising out of such prohibited business or commercial use of the Lots and/or Townhouse Units.

8.14 Structures. No Structure may be erected or maintained on any Lot in violation of Article Eight above, requiring approval of the Declarant or the Architectural Committee.

8.15 Model Homes. Anything contained in this Article to the contrary notwithstanding, any Lot may be used by Declarant or any Homebuilder for model home purposes or for the maintenance of a real estate office during the Redevelopment Period. A Homebuilder shall be entitled to conduct on any Lot all activities normally associated with and convenient to the development of Lots within the Property, and the construction and sale of a house thereon.

8.16 Interpretations and Exculpation of Liability. Declarant or the Architectural Committee will be the interpreter of the provisions of this Declaration with respect to all matters involving aesthetics. Its decisions in such matters shall be final if consistent with the intent of this Declaration. In any and all events, neither Declarant nor the Architectural Committee will be liable for any decisions, action or inaction taken pursuant to this Article Eight, including, but not limited to any matters concerning aesthetics and/or the administration, interpretation, application and enforcement of the provisions of this Article Eight.

ARTICLE NINE

Rules and Rental Restrictions

9.1 Rules. In order to assure the peaceful and orderly use and enjoyment of the Property, the Board of Directors of the Association may from time to time adopt, modify and revoke, in whole or in part, such reasonable rules and regulations, to apply equally to all similarly situated Lots and Owners, governing the conduct of persons on or use of Lots and the Common Areas, as the Association may deem necessary. All such rules shall be binding upon all Owners, occupants and visitors to the Property. The Association may impose a fine, suspend voting rights, or infringe upon any other rights of an Owner or other occupant for violation of the rules, upon compliance with applicable law, if any, and this Declaration.

9.2 Rental Restrictions. Every lease or rental agreement for a Lot and the improvements thereon shall be for a term of not less than twelve (12) months and shall provide that the tenant under the lease shall be subject to and shall comply with the provisions of this Declaration, the Bylaws and Rules and Regulations of the Association, as the same may be amended from time to time.

ARTICLE TEN

Annexation

10.1 Additional Property. Additional residential Lots and/or Common Areas may be annexed to the Property with the consent of two-thirds (2/3) of each class of Members.

10.2 Annexation by Declarant. Additional real property consisting of the apartment project known as Southern Avenue Apartments and referred to as Federal Housing Administration Project No. 000-44053 may be annexed to the Property and made residential Lots and/or Common Areas of the Property by Declarant without the consent of other members from time to time within five (5) years of the date this Declaration is recorded among the Land Records of the District of Columbia aforesaid. Provided, however, that so long as the Redevelopment Documents are in effect, any annexation shall be made only if approved by HUD, if so required. Further provided that if the Veterans Administration or the Federal Housing Administration or any successor agency approves the Property or any part thereof or any Lot therein for federally approved mortgage financing purposes, thereafter any annexation shall be made only if the Federal Housing Administration and/or the Veterans Administration determine that the annexation is in accord with the general plan theretofore approved by them.

10.3 Recording. Any annexation made to the Property pursuant to paragraph 10.1 above, shall be done and become effective upon recording of an amendment to this Declaration by the Association among the Land Records of the District of Columbia aforesaid, specifying the additional land to be annexed to the Property; and any annexation made to the Property hereunder pursuant to paragraph 10.2 above shall become effective upon recording of an Amendment to this Declaration by Declarant among the Land Records of the District of Columbia County aforesaid specifying the additional land to be annexed to the Property.

ARTICLE ELEVEN

Party Walls

11.1 General Rules of Law to Apply. Each wall which is built as a part of the original construction of the homes upon the Lots and placed on the dividing line between the Lots shall constitute a party wall, and to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

11.2 Sharing and Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Declarants who make use of the wall in proportion to such use.

11.3 Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owner thereafter makes use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use, without prejudice, however, to the right of any such

Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omission.

11.4 Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his or her negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

11.5 Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

ARTICLE TWELVE

Force Majeure

12.1 Whenever herein a time period is provided for the Declarant, a Homebuilder or a Class B Member to do or perform, or within which the Declarant, a Homebuilder or Class B Member may do or perform any act or thing, including, but not limited to, the time of the Redevelopment Period as defined in paragraph 1.15 above, in the event the Declarant, Homebuilder or Class B Member is delayed or hindered in or prevented from doing or performing such act or thing by reason of strikes, labor troubles, inability to procure labor or materials, failure of power, restrictive governmental laws or regulations, riots, insurrection, war, acts of God, fire, or other casualty or reason of a similar or dissimilar nature beyond the reasonable control of the Declarant, Homebuilder or Class B Member, then performance of such act or thing shall be excused for the period of the delay and the period for the performance of such act or thing shall be extended for a period equivalent to the period of such delay. In no event shall the extensions of time permitted herein extend beyond twenty (20) years from the date hereof.

ARTICLE THIRTEEN

General Provisions

13.1 Enforcement. The Declarant, the Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Declarant, the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

13.2 Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

13.3 Amendment.

13.3.1 The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. Subject to paragraph 13.3.2 below, this Declaration may be amended by an instrument signed by no less than seventy-five (75%) percent of each class of Members who are entitled to vote at a meeting of Members. Any amendment must be recorded.

13.3.2 Until the conclusion of the Redevelopment Period of the Property, no amendment may alter or affect any rights granted hereunder to the Declarant, a Class B Member or a Homebuilder without the prior written consent of the Declarant, the Class B Member and the Homebuilder. Notwithstanding the foregoing, no amendment affecting assessments, any property right, the right of any Owner to have, use or enjoy any easement or to use and enjoy the Common Area, or the vested right of any party secured by a mortgage or deed of trust shall be valid or of any effect unless such amendment has been approved in writing by such party having such right or interest.

13.3.3 Anything set forth in Sections 13.3.1 or 13.3.2 above to the contrary notwithstanding, the Declarant shall have the absolute unilateral right, power and authority to amend, modify, revise or change any of the terms or provisions of this Declaration, all as from time to time amended or supplemented. This unilateral right, power and authority of the Declarant may be exercised only if either HUD shall require such action for compliance with the Redevelopment Documents, or if the Veterans Administration or the Federal Housing Administration or any successor agencies thereto shall require such action as a condition precedent to the approval by such agency of the Property or any part thereof or of any Lot thereof, for federally approved mortgage financing proposed under applicable Veterans Administration, Federal Housing Administration or similar programs. If, upon the application of Declarant, the Veterans Administration or the Federal Housing Administration or any successor agency approves the Property or any part thereof or any Lot thereon for federally approved mortgage financing purposes, thereafter any amendments to the Declaration made during any period of time when there are Class B Members shall also require the prior consent of the agency giving such approval.

13.4 Notices. All notices required or provided for in this Declaration shall be in writing and hand delivered or sent by United States mail. If hand delivered, the notices shall be sent to the addresses shown below and shall be deemed to have been given on the date hand delivered to the address of the party to whom the Notice is sent. If United States Postal Service is used, the notices shall be sent to the addresses shown below, certified or registered mail, return receipt requested, postage prepaid, and shall be deemed to have been given on the date deposited in the United States mails. Notice shall be addressed as follows:

Any person shall have the right to designate a different address for the receipt of notices other than set forth above, provided the person's new address is contained in a written notice given to the Declarant during the Redevelopment Period and to the Association.

13.5 Right of Entry. Violation or breach of any provision herein contained shall give Declarant or the Association, to the extent that any of them may have a right of enforcement thereover, their respective agents, legal representatives, heirs, successors and assigns, in addition to all other remedies, the right (but not the obligation), after five (5) days notice to the Declarant of the Lot, to apply to a court of competent jurisdiction for an order granting the Declarant or the Association the right to enter upon the Lot or the land as to which such violation or breach exists, and to abate and remove, at the expense of the Declarant thereof, any Structure or condition that may be or exists thereon contrary to the intent and meaning of the provisions hereof; and the said parties shall not thereby be deemed guilty of any manner of trespass for such entry, abatement or removal, except that if any agent of Declarant or the Association shall be responsible for actually committing a trespass by behavior going beyond the intent of the authority conferred by this Section, in such event neither Declarant nor the Association shall be responsible for the unauthorized acts of such agent(s). Nothing herein contained shall be deemed to affect or limit the rights of the Declarants of the Lots when entitled to do so, to enforce the covenants by appropriate juridical proceedings.

13.6 No Reverter or Condition Subsequent. No provision herein is intended to be, or shall be construed as, a condition subsequent or as creating a possibility of reverter.

13.7 Remedies. Damages may not be deemed adequate compensation for any breach or violation for any provision hereof, so that any person or entity entitled to enforce any provision hereof shall be entitled to relief by way of injunction as well as any other available relief either at law or in equity.

13.8 Headings. The headings or titles herein are for convenience of reference only and shall not affect the meaning or interpretation of the contents of this Declaration.

13.9 FHAVA Approval.
