

Congratulations on the purchase of your home! On behalf of the Board of Directors and Quality1 Property Management; welcome to Townes at Hillsdale.

The quality of life at Townes at Hilldale depends on the consideration, cooperation, and participation of you, the member. The purpose of the Association, of which you are automatically a member, is to maintain the integrity and harmony of the community, including the common areas, and to provide services to all residents. This effort is overseen by your Board of Directors through the Architectural Control Compliance Advisory Committee, who is responsible for setting policy and overseeing the operations of the community.

In accordance with Association documents, all owners are required to pay a monthly assessment. Currently, your HOA assessment is \$75.00. Payments are due by the 1st of each month. This money is used to pay for oversight and operations of the Association, maintenance, and upkeep of the common areas, and to provide a reserve fund in the event of an emergency. On the day you settled, your settlement attorney should have paid your prorated monthly Association assessment. **Payments can be mailed to:**
