## **Removal of Bulk Trash**

Bulk trash and any personal items must not be placed on common areas, Iverson Street and Southview Drive. These items should be placed at curbside of home for pick-up on trash day (Thursday).

Please note that white goods/large appliances or scrap tires will still need to be scheduled for an appointment online and through PGC311. You can also visit the [Prince George's County Website](https://www.pgc311.com/) to learn more.
