Prince George's County Volunteer Firefighters Host Town Hall

The Prince George's County Volunteer Fire & Rescue Association is hosting a town hall meeting Friday, July 21, 2023, at 6:00 PM at the Branchville Volunteer Fire Company. The Association has invited the Prince George's County Council to attend.

"This will be a listening session for volunteer fire companies and their membership to express their concerns and allow County Council members the opportunity to hear, firsthand, the challenges we face when working with the County," says Jeramie Jordan, President of Prince George's County Volunteer Fire & Rescue Association.

The Council is aware of concerns and committed to helping facilitate solutions.

The Branchville Volunteer Fire Company is located at 4905 Branchville Rd College Park, MD 20740.
